SKILLS

- **Languages:** C, C++, JavaScript, SQL, java, Bash, Python.
- **Frontend Tech Stack:** HTML and CSS, XML, React.
- **Backend Tech Stacks:** Node JS, Express JS.
- **Tools/Platforms:** MySQL, MongoDB.
- **CS Fundamentals:** Data Structure Algo, OOPS, Computer Network,
- **Soft Skills:** Problem-Solving Skills, Team Player, Project Management, Adaptability

EXPERIENCE

- **GlobalLogic India Pvt Ltd.** **Jan 2026 – Present**
 - Performed **Exploratory Data Analysis (EDA)** using Python for data cleaning, transformation, and insight generation.
 - Built and evaluated **Machine Learning models** using Scikit-learn with standard performance metrics.
 - Developed projects including **ReviewSense AI** (sentiment analysis) and a **Gen AI-based PDF chat interface** using NLP and LLMs.
 - Applied concepts of **Statistical Analysis, NLP, and Generative AI** in real-world use cases.
- Skills:** Python, Scikit-learn, Machine Learning, NLP, LLMs, Generative AI, Data Analysis

PROJECTS

POETIC PEBBLES – Poetry Sharing Android App April'25

Domain : Mobile Application | Tech Stack : Kotlin, XML, Firebase, Android SDK

Published on Google Play Store: [Play Store Link](#)

- Developed an Android app for writing, sharing, and exploring poems with real-time features using Firebase.
- Implemented like, follow/unfollow, profile customization, and admin-controlled poem approval.
- Designed a clean UI with RecyclerViews and smooth navigation for better user experience.

KAUSHIK FOOTPRINTS Mar'24

Domain : Web Application | Tech Stack : React, Node, Express, MongoDB

- Developed a secure login system and user-friendly admin panel for efficient product and inventory management.
- Integrated a streamlined checkout process with address collection and multiple payment options, ensuring a seamless and secure user experience.

CERTIFICATES

- **Introduction to MongoDB for Students** Jul'24
MongoDB - [Certificate](#)
- **Data Structure and Algorithm** Jul'23
Programming Pathshala – [Certificate](#)
- **Fundamentals of Android** Sep'23
Meta| Coursera- [Certificate](#)
- **Server Side Development** Apr'23
Meta| Coursera - [Certificate](#)

EDUCATION

- **Lovely Professional University** Punjab, India
Bachelor of Technology Information technology, **CGPA: 7.98** Aug'21- Sep'25
- **Holy Cross Public School** Muzaffarpur, Bihar
Intermediate; **Percentage: 86%** Apr'19- Mar'21
- **DAV Public School** Muzaffarpur, Bihar
Matriculation; **Percentage: 76%** Apr'18 – Mar'19
